Dear Sir:

We have your correspondence of October 17th, regarding the program which you heard over this station on this date. The program you heard checks with the one we had on at the time mentioned by you.

As we are no longer using verification stamps, this letter and the enclosed program for the forthcoming week will have to act as a verification. We are reading the verification letters over our 1:00 to 6:00 A.M. broadcasts and dedicating numbers to those writing in for a verification.

Trusting you will tune in often, we remain

Very truly yours,
Radio Station KELW
