

BROADCASTING STATION

100% MODULATION 1420 Kilocycles

HOLY CITY, CALIF. December 21/1931.

Mr David F. Thomas,
26th Street Ferry Co.,
Proctorville, Ohio.

Dear Mr. Thomas:-

We have received your card and in reply we wish to say that you may have heard this station but we are unable to say for sure due to the incomplete report furnished. We were on the air at the time mentioned and we are of the opinion that we were the only station in California on the frequency that was on the air at that time.

We would suggest that you try getting us again and we are enclosing you a copy of our schedule for your reference.

We beg to remain,

Yours Very Truly,

Station KFQU
