252 Meters

Warner Bros. West Coast Studios, the most beautiful of Hollywood's motion picture producing plants, and one of the show places of Los Angeles. The home of Warner Bros. "Classics of the Screen" and of such stars as John Barrymore, Monte Blue, Marie Prevost, Sydney Chaplin, Lowell Sherman, Irene Rich, Huntly Gordon, Willard Louis, Louise Fazenda, John Roche, June Marlowe, John Harron, Dorothy Devore, John Patrick, Kenneth Harlan, Patsy Ruth Miller, Matt Moore, Dolores Costello, Clive Brook, Helene Costello, Gayne Whitman, Alice Calhoun, Charles Conklin, Don Alvarado, Myrna Loy, Charles Farrell and the wonder dog, Rin-Tin-Tin.

Covering 15 acres of ground in the heart of Hollywood, this studio is the most completely equipped in the industry, with its immense stages, electrical equipment, etc. Here also is the home of K-F-W-B, the only studio owned radio broadcasting station in the world. Millions of fans are acquainted with studio activities through the means of this station.
