Dear Mr. Thomas:

In reply to your letter of November 17th we regret that we cannot accurately verify your reception of KGO. We were on the air all right Monday evening, November 16th, from 9:00 to 9:56 p.m. but you have given us no information by which to verify your reception. We are always glad to verify your letters whenever possible but in the future kindly repeat some of the announcements and numbers on the program for our information.

Our power at present is 3500 and in answer to your second question, we are frequently heard in the East before midnight.

Yours very truly,
