AM plus FM SIMULTANEOUSLY

THE VOICE OF POMONA VALLEY

March 2, 1947

David Thomas  
Proctorville, Ohio

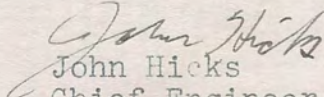

Dear Sir:

This will confirm reception of our station on January  
18, 1947.

We Use a GE 250 watt transmitter on 1510 kc with a 270  
foot vertical antenna.

Thank you for your report.

Yours truly,

  
John Hicks  
Chief Engineer
