Dear Mr. Thomas:

Thank you for your letter reporting that you listened to KRLA RADIO 1110 on April 8, 1962. Your files are correct in that our call letters previous to being KRLA had been KPAS and then KXLA. The change from KXLA was merely in ownership and an increase of power. We don't often get reports from your area but we're glad to hear from you when we do. Your aircheck was most interesting and definitely was accurate.

You may consider this official recognition of having received KRLA RADIO 1110 on your equipment.

Sincerely,

Jack M. Reeder  
Chief Engineer
