Dear DX'er:

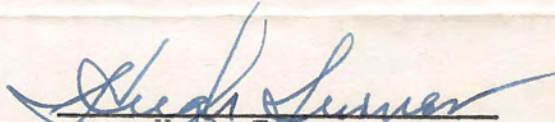

This is to verify your report of reception of KTIM on January 18, 1954 from 12:00 to 1:00 AM P.S.T.

Your reception report has been enjoyed by nearly everyone here at KTIM, and particularly by those who participated on the special broadcast, which we dedicated to your club.

It might interest you to know that there are several of us here at KTIM who are dx'ers at heart since we have two or three amateur licenses within the company.

Good luck to you and your hobby from all of us at KTIM.

Sincerely yours,

Hugh Turner
