"THE VOICE OF THE ORANGE EMPIRE"

December 19, 1940

Mr. David F. Thomas,
Proctorville, Ohio.

Dear Mr. Thomas:

While there is not much doubt you heard KVOE on the morning of December 9, 1940, since other reports were received from Ohio, Michigan and Tennessee, you made no mention of any specific item other than the playing of the National Anthem and the pledge of allegiance. These are common to other stations. Had you mentioned one item in the résumé of programs, I could have given you a definite verification.

You may be able to hear one of our DX broadcasts, scheduled the first Thursday morning of each month from 12:01 to 12:30 A.M. Pacific Time.

Many thanks for your report which, very probably, should be verified but can't be technically.

The description of your equipment and antenna systems was quite interesting.

Cordially,

Wallace S. Wiggins
