Dear Mr. Thomas:

Thank you very much for your card of December 14, reporting reception of our station.

I have checked your report with our station log for the date given and am very happy to verify your reception of KXOA.

KXOA has been operating on its new frequency of 1470 kc with a power of 1000 watts since January 1949. Operation is directional both day and night, using a three-element array.

Wishing you continuous good reception,

I am your,

Ewald W. Berger
