

VERIFICATION OF RECEPTION

December 8, 1978

Mr. David Thomas
P. O. Box 11531
Tampa, Florida 33610

Dear Dave:

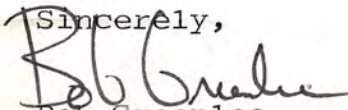

This letter will confirm your reception of radio station KADE between 12:05 and 12:55 AM MST on December 4, 1978.

To date we have received information that the station was heard from California to Florida, and many points in-between. Also received a telephone call from Calgary Canada the morning of the test.

It was interesting to read your letter and I appreciate your interest in our test. Perhaps we can arrange a similar test at some time in the future.

Again, I appreciate your writing.

Sincerely,

Bob Greenlee,
General Manager
