Dear David:

This is to verify your report of K R L N's broadcast of January 17, 1948 from 1:30 AM to 1:45 AM M.S.T. This was our quarterly frequency check. Our next check will be April 17th. 1948 from 1:30 AM to 1:45 AM MST.

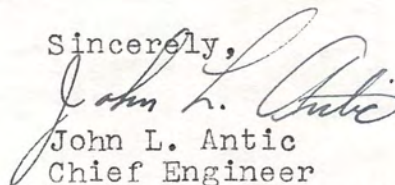

We were especially glad to receive your report as this was our first frequency check. We took the air August 15th. and as yet do not have any verification cards.

Would you DX'ers rather have cards, letters or both?

As to date none of our reports have given us the QRM you spoke of, however I believe there is an all-night station in San Francisco on 1400.

Thanks again for your report

Sincerely,

John L. Antic
Chief Engineer
