Mr. David F. Thomas  
Longwave Listening Post  
Radio W.U.M.S.  
Proctorville, Ohio.

Dear Mr. Thomas;

We are VERY pleased to verify your report on our broadcast of April 1st., 2:00 A.M. (EST); 11:PM (MST). It sounds like 'old days' to hear you had picked us up on October 17th 1934...at 920 kc - 500 Watts. KVOD is now 5,000 W. with the 630 spot on the dial. While I'm thinking of it, please excuse our delay in answering, but your letter got into the wrong file drawer, and I just found it today. Of all letters to misplace it had to be yours, one who had dialed us in in 1934! So, please excuse us this time. Hope to hear from you often.

Sincerely,

*Ben Stanton* KVOD.

P.S.- Would appreciate hearing from you again and finding out who signed your letter of Oct. 17th 1934. That's been 22 years ago.
