Mr. David F. Thomas
Proctorville, Ohio

Dear Mr. Thomas,

We appreciate your sending the report of reception of KYOU on November 21st. I guess the month earlier for program time this year made quite a difference in reception. You apparently didn't expect a QSL card this time, since you had one for the last DX program. Thanks very much for the report anyway.

Here's wishing you the best in DXing

Paul F. Emrich
