Mr. David F. Thomas
Longwave Listening Post
Radio W.U.M.S.
Proctorville, Ohio

Dear Mr. Thomas:

This letter is to verify your reception report of our special test program on October 12, 1952.

We were pleased to receive your excellent report which checks with our program log.

Our transmitter is a Gates BC-500-D, with associated Gates equipment. The antenna is a series fed vertical, 205' above ground. We have been on the air since October 23, 1948 and this was the first test program since then.

We again thank you for your kind report and wish for you the best of DX and 73.

Sincerely,

Richard L. Ricci
Chief Engineer
