Mr. David F. Thomas

Procterville

Ohio

Dear Mr. Thomas:

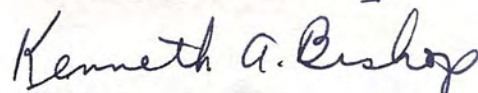

We were very pleased to receive your report on reception of our signals during your mobile trip back east.

Your log form agrees with our program for the listening time mentioned.

We hope that you will listen for us again in the near future. We have test programs about the first week of each month at about 1 A. M Eastern time.

Thank you for your kind interest in WCNX.

Sincerely yours

Kenneth A. Bishop
