Mr. David F. Thomas,
Proctorville, Ohio.

Dear Mr. Thomas:

Your report on reception from our station, April 15th, between 1:00 and 1:30 A. M., checks with our station log. We are glad to certify your report as correct.

In regard to the dates on which we make these test programs, they are decided by the Supervisor of Radio so that we are unable to tell you when we shall put on another program. WICC is located at Bridgeport, Connecticut, and we would advise you to write them direct in regard to their test programs as we have no information on the subject.

Thank you for writing.

Very truly yours,

Daniel E. Noble
