NORWICH, CONNECTICUT

*The Shopping Center of Eastern Connecticut*

I am pleased to VERIFY your reception report of our station on January 20, 1950 from 04:15 AM to 05:00 AM EST.

Sorry in the delay of this card but it seems the mail was misplaced due to the confusion caused by our twenty four hour polio campaign.

Received quite a few DX reports. Thanks again.

Very truly yours,

Chief Engineer

Alexander Dubenetsky
