Mr. David F. Thomas
Proctorville, Ohio

Dear Mr. Thomas:

We are pleased to confirm your report of reception of our special test program on the morning of February 8, 1948.

The station is equipped with RCA turntables, console, amplifiers and 1000 watt transmitter. Our transmitting tower is located two miles west of town and is 1200 feet above sea level. The tower itself is 240 feet in height.

Further reports of reception of our station by you would be most welcome.

Thank you for your kindness in reporting on our test program.

Very truly yours,

Robert D. Corbett
Chief Engineer
