WM. COURTNEY EVANS, PRESIDENT

DOVER, DELAWARE

December 28, 1949

DAVID F. THOMAS

PROCTERVILLE

OHIO, U.S.A.

Dear MR THOMAS,

We wish to verify your report of 12/12/49
informing us of the reception of our signals in
PROCTERVILLE, OHIO.

WDOV has a power of one kilowatt and the transmitter is manufactured by the Gates Radio Company. The antenna circuit consists of a series fed two hundred foot tower fed by an open wire transmission line.

We wish to express our thanks for you report and hope that you will hear us often in the future.

Sincerely yours,

H. W. Money
