Mr. David F. Thomas
Long Wave Listening Post
Radio w. u. m. s.
Proctorville, Ohio

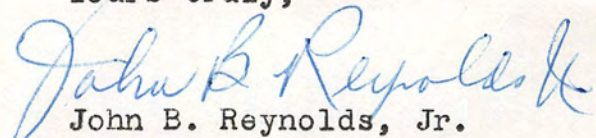

Dear Sir:

Thank you for your report on our station.

We have done a considerable amount of testing of various FM car receivers. All of them tested proved FM superior in every way to AM radio...better reception, less interference and better quality.

As for coverage of any maximum power FM station, it is better day and night than all except 50 KW clears.

Yours truly,

John B. Reynolds, Jr.
Manager
