Dear Mr. Thomas:

This is to confirm your recpetion of station WKEN from 2:35 - 3:27 AM EST on 26 February 1973. WKEN was operating with 500 watts on our daytime (non-directional) pattern.'

Enclosed for your information is a copy of our .5mv/m coverage map.

Yours in the only report I have received (as yet) from Florida, and is the most distant report in a southerly direction. The northern distance is Ontario, Canada, and a confirmed report west in Nebraska and St. Louis were also received.

Thanks for taking the time to send in your report.

Peace,

Richard Gamberg
Chief Engineer
