

Radio Caroline

CAROLINE SALES OFFICE - 6 CHESTERFIELD GARDENS - LONDON W.1 - HYDE PARK SW21

29-1-65.

Dear Mr. Thomas:

I don't know if your letter has been acknowledged in any way before our QSL correspondence has been rather neglected for a while, due to the pressure of other things. Sorry about the delay.

Attached is a rough copy of the transmitter details for Caroline South & North. Both are controlled from this office.

We are not connected with any other broadcasting organisation over here or anywhere.

Up to now, we have a total of about 39 $\frac{1}{2}$ million listeners in the British Isles, and more on top of that, on the Continent.

We receive many reception reports from all parts of the States particularly the East Coast.

Hope that is all you wanted to know, and is useful to you.

Very best wishes, and happy listening!

Yours faithfully,

Colin Nicol. (QSL Dept.)
