Dear Mr Thomas,

We have received your letter of December 14 th and thank you very much for it. It was quite all right and we are sending you our card of verification. The programme you heard was the first programme we have done for the Radio News, and we are here in Sweden very happy to have received a lot of such reports as yours.

I think this is the <sup>first</sup> time we receive a report from you and we are very glad to make your shortwave acquaintance. We are sorry not to have received your letter two years ago. But enclosed you will find a card of verification concerning our transmissions on Dezember 9 th 1944.

Once again thanks for your fine report and please, do listen to us and send us some more reports. Hoping soon to hear from you again we remain
