Dear Sir: I am intrigued by your job. Just what sort of listening do you do? What do you broadcast? And what uses are made of your data? Could you possibly write me a letter and answer some of these puzzles for me?

Your report of hearing W D C F on Monday, February 27th, from 4:33 to 4:59 A.M. est is hereby completely verified. Glad you liked the program, and was more than happy to get such a nice report from you. I have received some good reports clear from California.

If your job ever brings you into Florida again, and you can spare the time, would like to have you drop by the station and say hello.

Yours truly,
