Dear Mr. Thomas,

I am happy to verify your report of reception of our station on 16 December 57. I am sorry for the delay but you see while you were on your way down here I was on my way to New York for a much needed vacation.

In your letter you ask about the call letters. Since I am a rookie so to speak in broadcasting I do not remember WIOD when they were in Miami. So to your question why they dropped the call after so long and so appropriate I can't answer. But for your question why did we take it, the only reason we chose IOD is due to their wonderful reputation and being so well known we decided to capitalize on it.

Hoping to hear from you again and hoping that next time you are passing through you'll drop in on us I remain,

Very truly yours,
