Dear Sir:

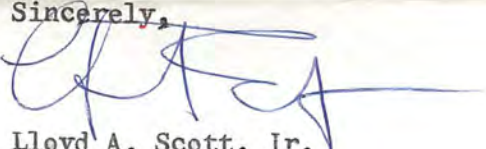

We are writing to thank you for your letter dated October 31, 1969. I would like to apologize for the delay in answering your letter, but due to not having a secretary during our first month's operation our correspondence has gotten behind.

We have checked our transmitter and program logs and are able to verify your reception report.

As of yet we have not received any correspondence from the Perry and Madison areas. We have had our coverage verified on numerous occasions as far as Ocala, but nothing beyond there.

We appreciate your correspondence and if we might assist you in the future, please let us hear from you.

Sincerely,

Lloyd A. Scott, Jr.
