Dear Mr. Thomas:

Thank you for the report on WSTU. This will confirm it.

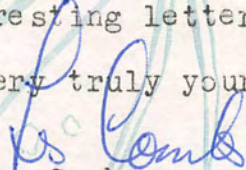

Your report on Cubanreception the Keys was interesting.

My partner and I within the past year, asked a consulting engineer to find us a daytime frequency for either Key West or Marathon. He was unable to do so. A full time frequency also would be desireable, of course.

If you could suggest a frequency for either of those locations we would be much interested.

Again, thank you for your interesting letter.

Very truly yours,

Les Combs
