Mr. David F. Thomas
Radio Station WUMS
Proctorville, Ohio

Dear Sir:

Received yours of the 8th with regard to the reception of our station of July 15th.

Very glad to hear from you and the rice report and too, this is to verify your findings.

The station began programing on March 19th of this year and I'm sorry I can't give you more details because I came here on May 20th. We have a nice station here using Gates equipment throughout. We also have a remote studio in Nashville, Ga. about 12 miles north of here that we program about two hours a day from.

That's about it for us...would like to hear from you again should you pick up our signal again and should you be in this area again would appreciate your dropping around to the station. we are located about 1 1/2 miles out of adel on highway 76.

Thanks again for the report.

Very truly yours,

C. A. Christensen
