Mr. David F. Thomas
Proctorville, Ohio

Dear Mr. Thomas:

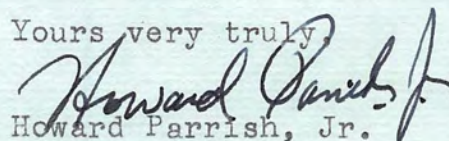

We are most pleased that you were able to receive us in Proctorville during our special DX broadcast for the National Radio Club from 3 to 4 A.M. on April 5th.

As you know, we operate on 1340 KC with a single, self-supporting tower, non-directional, with a power output of 250 watts.

Our studios are in the Georgian Terrace Hotel in downtown Atlanta. Our tower is on top of a three-story building, also in downtown Atlanta.

Many thanks for writing us. If you are ever in Atlanta, I would like to show you around the station.

Yours very truly

Howard Parrish, Jr.
Chief Engineer
