Dear David,

Thank You very much for the fine DX report you gave us on our Special DX program of Feb. 14, 1963. Your report is verifief by our logs. We are always happy to receive DX reports. We have received quite a number of replies from all over the country, and one from Canada. The longest report we ever had came from Auckland ,New Zealand ! Should you ever be down this way, Please stop in and look over our plant. Best of luck.

Yours Truly
