Mr. David F. Thomas,
Longwave Listening Post,
Proctorville, Ohio.

Dear Mr. Thomas;

Thank you for the very interesting report you have given us on your reception of WFOM on June 23, 1953.

We are glad to confirm your reception for the entire period of 11:00 to 5:00 o'clock on the above date.

We do not have a time set up for frequency tests, since the Van Nostrand Service is located in Atlanta, and can check us during our regular hours of operation. Hope you will be able to catch us sometime there in Proctorville, and be sure to let me know if you ever do so. You might catch us sometime early in the morning when we are doing maintenance...we sign on at 6:30 am, but sometime come on an hour or two early to make tests.

Thank you again for your report on our signal.

Yours truly,

WFOM,

A. L. Jones, Gen. Mgr.
