Dear Mr. Thomas,

Thanks ~~very~~ much for that complete and interesting reception report of having received our station on January 13 from 6 until 6:29 EST.

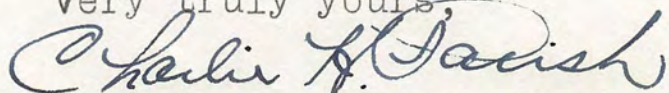

The unidentified announcer you heard was Olyn Gee, station manager, and he was very grateful ~~with~~ for your kind comments. On Sunday morning's from 6 until 6:30 he is very DX conscious, that's why all the station identification.

Roger on the "World's Finest Peach Market". Also it has a dual meaning: "Where Friendly People Meet". Both these expressions may be heard some time when you're DXing.

Yes, our best DX time is on this early Sunday morning period. However, we did receive a rather unusual report of being received in Cincinnati from 6'til 6:14 one morning in December during the week. This was unusual and probably for technical reasons some of our competitors on 1150 were off the air.

Thanks again for your fine report and comments.

Very truly yours,

Charlie H. Parish, C. E.

P.S.: Our frequency tests are held every 3rd Friday from 3:15-3:30.
Give us a listen! 73
