Mr. David F. Thomas

Proctorville, Ohio

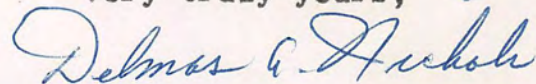

Dear Sir:

Many thanks for your report on reception of our station, WHAB, Baxley, Ga. Your report is correct in its entirety.

WHAB, is a 5 KW., 1260 KC. daytime using a Collins xmtr-3x2500a3 final, tower 208 ft. guyed. We are a combo at the South city limits of Baxley, on U.S. highway number one.

Again many thanks for your report and hoping you can visit with us in the near future, I remain,

Very truly yours,

Delmas A. Nichols
