Dear Mr. Thomas:

This is to verify your reception card covering our test program of Monday, June 25.

We are very glad to know that our signal is strong, and, for your information, we have a 185 ft. self-spotting vertical antenna with approximately 27,000 ft. of ground wire imbedded in rich, moist soil.

Thanking you once again for your nice reception card and sincerely trust you will be with us and also get others to do likewise on future dates, which are given every Monday morning at 2:30 AM Eastern War Time.

Sincerely yours,

Al Robinson
