

January 29, 1963

Dear Sir:

We take pleasure in verifying your reception report of Dec. 31, 1962.

You may be interested in a brief description of our station equipment. Our transmitter is a Gates BC-5P2, 5,000 watts feeding a 220 foot vertical antenna. We are located on a small hill in the central island of Oahu. We also operate the first FM stereo station in the State of Hawaii on a frequency of 95.5 megacycles with an effective radiated power of 37,000 watts feeding a Jampro 8 bay antenna 200 feet above the ground. We are on the air from 4:30 AM to 12:00 PM daily.

The station is owned and operated by the Christian Broadcasting Association, a non-profit corporation dedicated to the purpose of broadcasting the Christian message throughout the Hawaiian Islands and the South Pacific. Our programming is predominately popular concert and classical music with religious programming in the early morning hours as well as during the day on Saturday and Sunday.

Thankyou for your interest and assistance in forwarding your reception report.

Sincerely,

Robert L. Lyon
Chief Engineer
