Dear Mr. Thomas:

It probably would be safe to surmise you were in tune with KILA as outlined in your listener's report of March First.

We carry a series of commentaries from 8:45 to 9:30 PM, Hawaiian Time on Sundays, and the program you referred to was "On the Line with Bob Considine", a program sponsored by the Mutual Benefit of Omaha. Yes, they have a branch in Hilo.

Based on the above program outline, which seems to coincide with your report, I believe your receiver was tuned to this station.

Sincerely,

James Jaeger

P.S. What is WLL m.s. ? I cannot find a listening in the call book for any such station
