Dear Mr. Thomas:

Thank-you for your report of reception of KGLO - March 31. Our log is in agreement with your report. The transmitter is a RCA 100-E, 100 watts on 1210 kc using 290' Truscon vertical radiator with coaxial transmission line.

Each Wednesday except 2nd in each month, at 2³⁰ A.M. C.S.T. KGLO presents DX program. Listen for us.

Yours sincerely,
L.W. Born, ch. eng.
