Dear Mr. Thomas: *INNEHAHA*

Thank you very much for your report on reception of our D-X program on January 10. Yours was one of 66 valid reports received, so you can understand our delay in verification.

This letter will verify your reception of KLEM during its special test transmission between 2:00 - 2:30 AM CST, January 10, 1955; this verification being based on your report, which was substantially correct.

Incidentally, KLEM received reports from 28 states, Canada, and New Zealand -- a very gratifying response.

Again, many thanks for your report.

Yours for good D-X-ing,

Bob Coddington
