Dear Dave:

Many thanks for your report stating that you heard the special DX test from KNWS.

Your report has been checked with the program log of KNWS and found to be absolutely correct. This letter is **VERIFICATION** of your reception of radio station KNWS on November 8, 1954 from 2:00 AM to 2:30 AM CST on 1090 Kcs.

We were very happy to receive so many reception reports from the DX. A total of 77 reports from 30 states, Canada and New Zealand were received.

We surely enjoyed putting on this test for the National Radio Club, and if you're ever in the vicinity of Waterloo be sure and drop in at KNWS.

Thanks again for tuning us in and Here's wishing you the blast of DXing always.

Yours,

Kenit Carson
