Mr. David F. Thomas,  
Proctorville, Ohio.

Dear Mr. Thomas:

Thanks a lot for your report on reception of KOKX during our special dx broadcast on the morning of December 6th. Your report checks with our log of that date, and we're glad to verify your reception of our station.

We're using RCA equipment thruout, with a 250L transmitter feeding a 330' Wincharger tower.

Your report is very interesting, and we're glad to know we are putting such a nice signal into Ohio.

Again, many thanks, we hope to hear from you again soon.
