Mr. David F. Thomas
Proctorville, Ohio

Dear David,

It is with pleasure that we send you this letter of verification of your reception of station **Kpig** during our special DX broadcast on the morning of February 15, 1954. **Kpig** was broadcasting on a frequency of 1450 kilocycles, and with a power of 250 watts as you were tuned to us.

This was a very successful DX, in-so-far ~~was~~ the quantity and quality of reports was concerned. We again received verifiable data from DXers in New Zealand.

We thank you for your time and trouble in sending us your finding during the broadcast. We hope you will again be successful in tuning in on our signal and will let us hear from you when you do receive us.

Very truly yours,
