

# THE WMT STATIONS

*Iowa's Finest Frequencies*

K-WMT 540 A STREET, FORT DODGE, IOWA · TELEPHONE 7-2651

Dec. 24, 1958

Mr. David F. Thomas  
Proctorville, Ohio

Dear Sir:

In regards to your letter concerning our special broadcast December 20th, the information you sent is correct and I am glad to verify your reception of K-WMT in Fort Dodge, Ia.

K-WMT is a 1000 watt, directional, daylight station.

It has been a pleasure for us to do this program for you as we have enjoyed receiving letters from so many parts of the country.

Thanking you for your letter, I remain

Sincerely,

RADIO STATION K-WMT

Earl Larson  
Chief Engineer
