Dear Brother Thomas:

I do appreciate your letter of December 24 in response to our program on KXEL. We had a very good response and have not yet completed the mailing of the free records; however, they are on the way and yours will arrive very shortly.

I do appreciate your good report on the transmission. I believe we have good coverage with KXEL.

I would like you to tune in WRVA in Richmond, Va., 1140, and give me a report on how it is received in your area during the evening hours. We are considering a spot on that station also on Friday night.

Yours sincerely,

Herbert Lockyer, Jr.
Executive Secretary
