Mr. David F. Thomas
Proctorville,
Ohio

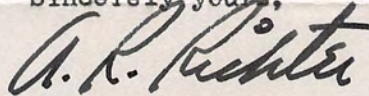

This will verify your reception of WOC on December 4, 1940, while conducting a test program.

WOC operates with a full signal strength of 250 watts and uses the latest High-Fidelity equipment throughout.

We test the first Wednesday of each month from 1:30 to 2:00 A.M. CST, and again the second Monday of each month from 4:30 to 4:45 A.M. CST.

Thanking you for your report and trusting you will tune WOC in again during a test program, or regular broadcast period, I am,

Sincerely yours,

Allen R. Richter
Chief Engineer, WOC
