Dear Sir,

In answer to your card, we did have a test program on the air at that time and it consisted of popular records. Sorry that you could not read it well enough for a verification. To date there have been about fifteen answers to the program most of which did have pretty fair luck picking us up. I am on with a test program every Sunday morning from about 12:30 to 3:00 so maybe you can have a little better luck some other time.

Sincerely,

Donald P. Chandler
