Dear Mr. Thomas:

This is to confirm reception of KVNI as reported by you for 4:15 to 4:30 a.m., EST, December 17, 1946.

I am sorry that you had not received a reply from us before. Evidently, during the first couple months operation, several KVNI reception reports were unanswered, probably due to inexperience by the office staff in mail sorting for a radio station.

Thank you very much for your report.

Very truly yours,

Howard Olsen
Chief Technician
KVNI
