Dear Mr. Thomas:

This is to confirm your DX card of the 21st.

The portion of our Sunday Morning broadcast which you heard was coming from the Wheaton Bible Church, of Wheaton, Illinois from which we are carrying the Sunday Morning Worship Service during the months of January and February.

It is a real surprise to know that we could be heard that well behind WBT. They give real interference even west of Chicago for over 100 miles.

Sincerely,

R. Stanley Payne
