Dear Mr. Thomas:

This is to verify your reception of the Special DX test program, that WMOK put on, Feb. 3rd at 3am C.S.T. We have received some very nice reports from the country, even though there was considerable interference from WMNI, in Columbus Ohio, and several other stations out side of the ZI.

Have received reports from Oregon, Calif. Canada, Rio-Grand valley, and one report from the RCA listening post in San Salvador Island, in the West Indies.

Many thanks to you and the National Radio Club for your time consumed in listening and writing. Good Hunting.

Sincerely
