General Manager - Owner

Dec. 29, 1975

*David F Thomas*

Dear Friend:-

This is to confirm your reception of WRAM on Dec. 15, 1975. It was a pleasure to conduct the test in co-operation with the IRCA and NRC.

I am happy our signal was as clear as it was, considering our station is only a 1,000 watt, directional.

As of this date, we have received reception reports from a total of 21 states and am pleased that yours is among them.

Sincerely,

*Neil Zachmeyer*

*Just for report. I was the first D.J. to go on air here in 1957 - was here as AM - Country for 2 1/2 years. Left for other fields, but came back as Chief last March. I showed your letter to owner. He made editorial of it to air. Fred Hoy is a friend of mine. I replaced him when he got a better paying job. Will show him your letter next time I see him.*

*Just again*

*Neil*

*P.S. Have a wonderful New Year in 1976*

*At our salary here cant afford to go on the trip sounds good though*
