Instructions for Using "Proof of Reception" Card

Remember, the station must be convinced that you have actually heard the broadcasting. Comments of the Announcer or the mention of a particular identifying incident that occurred during the broadcast, perhaps, the best proof of this. The exact time that a particular number began or ended or the sequence of numbers are other proofs.

Fill out all the blanks on the card and take care that your name and address are plainly written where they belong and that a dime is inserted. Then put the card in an envelope addressed to the broadcasting station you heard. A list of addresses of broadcasting stations is included in your **ekko** stamp album.
